# ***THE HEROES***

## ***BLIZZARD STONE***

The all-around superhero, Blizzard Stone is tough, fast and also has the ability to repel certain types of energy like nuclear energy, AC currents and radiation. He is also the most publicized superhero of everyone in the league of good guys.

## ***THE BARE AVENGER***

Bad guys beware – this superhero confounds the worst of them with his ability to strip the clothes off his enemies with a single movement, leaving them naked where they stand. He is skilled in hand-to-hand combat but because he is a very private hero, no one knows where he learned his skills.

## ***THE BOLAS***

The Bolas is a creepy hero to say the least. Named after the Bolas spider, who throws a web "bola" at its prey, it is one of the most cunning hunters on earth. The Bolas is deadly with a set of bolas, and he always keeps a few sets hidden on his person when crime fighting.

## ***SAPPHIRE***

Good thing she's one of the good guys! Sapphire is trained in Kali and is a deadly strike, but also is a telepathic psychic. She always carries her Kali sticks with her, even when she is not fighting crime, and is called Sapphire because there are hundreds of tiny sapphires embedded in the handles of her weapons.

# ***THE WINGED DEFENDER***

The Winged Defender was once a boxer, but turned to crime fighting when his boxing career came to an end – after his retina became detached. Thanks to the woman who designed his boxing uniforms, he actually has a costume with wings that allow him to fly – and still punch, of course!

# ***THE PROJECTOR***

The Projector is so named because of her keen aptitude for astral projection. Many use astral projection as a means of transportation and alternate experience, but not everyone has the power of The Projector, who can physically interact with her surroundings, especially when that means subduing a bad guy! While her specter is out fighting evil, her body rests at home in her living room.

# ***THE VILLAINS***

## ***FELINITY***

Sultry and sexy, Felinity uses her elegance in a deadly way. She is known as an enchantress, because in her presence most people find themselves unable to speak or act. She has a particular penchant for fire, and loves to watch things burn.

## ***INTRIGUE***

Intrigue is a shape-shifter, and can take on the look of anyone or anything she pleases. She is introverted, but incredibly intelligent and has a soft spot for jewels, spending most of her evenings burgling some of the most highly secured jewelry stores.

## ***NUCLEO***

Nucleo's blood flows with nuclear energy, which he can conger at will. He enjoys using this power to hold the world hostage. Unfortunately for him, he is not the smartest villain, so his plots usually don't get off the ground, and are easily thwarted by the superheroes.

## ***REX RUTHLESS***

Owner of Ruthless Worldwide, Rex is as vicious in the boardroom as he is when tormenting the city. He enjoys creating intricate evil plots to hold the city ransom for obscene amounts of money. His reach is wide, and he has the police and politicians in his pockets, so his transgressions are quickly swept under the table, leaving his professional reputation squeaky clean.
