At Your Party

- Play or read Introduction
- Have Suspects introduce themselves
- Announce time limit for investigations (if applicable)
- Guests and Suspects question one another
- Announce that Investigations are coming to an end
- Have Suspects and Guests cast Accusations
- Have all or some of the guests share their Accusation
- Play or read "The Big Reveal" solution
- Give away prizes and awards (if applicable)

As with all of our mystery materials, this checklist is in no way mandatory, it is just to be used as a tool and a guide. Our mysteries have been designed to fit into your unique party, instead of you having to change your party to fit the mystery. Change items around as you need, and remember, we are always here for you if you need ideas and suggestions about your event.
