

# **Character Descriptions High School Musical**

## **Alex Sparks**

Alex is a legend at the school and went out of his comfort zone by auditioning for *Lookout Mimsy*. So far though, everyone has been pretty supportive and he is looking forward to opening night – if he can just remember his lines!

## **Isabella Valentine**

New to the school, Isabella won the lead role in *Lookout Mimsy*, much to everyone's surprise! She is an incredible singer and a fantastic academic, and easily makes friends wherever she goes.

## **Holly Blakely**

Holly is an up and coming playwright, and *Lookout Mimsy* is the first production she has created from start to finish! She loves writing and feels free when she sees her work played out on a stage. Holly is kind and enthusiastic, and loves to travel. She recently fulfilled one of her dreams – she went to New York to watch a musical on Broadway!

### **Chanel Ferguson**

Sister of Fergus, Chanel is the best singer in the school at least, according to her. She and her brother were up for the lead roles in *Lookout Mimsy!*, and were shocked to hear they didn't get the leads! Instead, Chanel, along with Fergus, have been brought on as a Script and Music Consultant.

### **Fergus Ferguson**

Fergus is Chanel's brother, and he loves to perform. He is eccentric and funny, and loves to keep everyone laughing. He was disappointed not to receive the lead role, and wanted to take a smaller role in the chorus, but he and Chanel ended up as Script and Music Consultants.

### **Tisha Cameron**

Smart and beautiful, Tisha is a double threat! She is more interested in academics than arts, but can't help but get caught up in the excitement that surrounds the production. Her friend, Isabella, has the lead role, and she is ready to be front row centre cheering her on.

### **Anders Showe**

Anders plays basketball alongside Alex, and can dunk better than anyone else in the district. While Alex brings the skill to the game, Anders brings the show and the two make an unstoppable team on the court. Anders is fun-loving and when he's not shooting hoops he enjoys parchese, but didn't tell anyone about his secret enjoyment of the game until just recently.

### **Ms. Wosley**

Ms. Wosley is the drama teacher, and, in grand drama teacher tradition, is eccentric to a fault. She is a bit flighty and flakey at times, but puts on great productions and is close with most of her students.

### **Coach Sparks**

Coach Sparks is the school coach of most sports, including basketball, baseball and football – they keep him busy! Coach Sparks also finds himself coaching his students in more than just sports, as most of them come to him for advice in their personal lives as well as advice on how to master their three pointer. He is also Alex's father, but no one would guess that, as he does not play favourites when school is in.
