

The Superhero Peace Convention

Arachnoguy (Superhero)

Arachnoguy has spider DNA, can climb walls, spin webs and is incredibly strong. Following his Arachno-sense, Arachnoguy is able to sense when danger is coming.

Rex Ruthless (Supervillain)

Rex Ruthless, Ultraman's archenemy, is a prominent businessman and runs the multi-trillion dollar business, RuthlessCorp. When he's not running his business he enjoys blowing things up, demeaning those of lesser intelligence and plotting world domination.

Nucleo (Supervillain)

Nucleo has the ability to conger nuclear power at will, and his blood flows with nuclear power. His powers make him a dangerous addition to the supervillain community, and he enjoys creating diabolical plots to hold the city, and the world, hostage.

Awegirl (Superhero)

Awegirl fights for the side of good and is a founding member of the League of Good Guys, an organization to which all of the superheroes in attendance belong. She has an amazing resistance to pain, heals quickly and can fly at supersonic speed.

Catnip (Supervillain)

Catnip is a sultry evil entity. Although she belongs to the recently formed League of Supervillains, she generally works alone. Her moves are cat-like and she adores all things feline.

The Streak (Superhero)

The Streak can move and run at super-human speed. He is extremely strong and quick but is young and loves media attention. He recently challenged Ultraman to a race to determine, once and for all, which of the two was faster – a race with The Streak won.

Jane Blue (Superhero)

Jane Blue's main power is that she is psychic and can read minds. She uses her special ability for the cause of good, and is very strong in her moral standpoint that evil can be overcome.

Green Gargoyle (Supervillain)

Arachnoguy's arch nemesis, The Green Gargoyle is an incredible scientist and loves to terrorize the world. On a social level however, the Green Gargoyle is a bit slow. He is obsessed with power, and dreams one day to rule the world and have everyone bow at his feet.

Intrigue (Supervillain)

Intrigue is a shape-shifter and can take on the look of anyone and anything she pleases. Intrigue is Nergal's sidekick, and is an integral part of Nergal's evil plans.

Batdude (Superhero)

Batdude is strong, can fight, and has an ominous presence as he fights the worst of the city's criminals.

Ultraman - The Man of Titanium (Superhero)

Ultraman is one of the most famous superheroes in the world, and fights crime in many countries daily. Ultraman is "faster than a speeding train"; though in a recent race against The Streak (which he lost) he proved he does have weaknesses. An alien from another planet, Ultraman spends his days as a humble reporter for the newspaper The Chronicle.

Detective Friar (The Detective)

Detective Friar is the most diligent detective in the world. He speaks slowly and doesn't say anything without thinking it over first. Rest assured the murder will be solved with Detective Friar on the case!
